

End-to-end solution to submit and request all required documents for worldwide business travels including A1, EU Directive and Visa forms

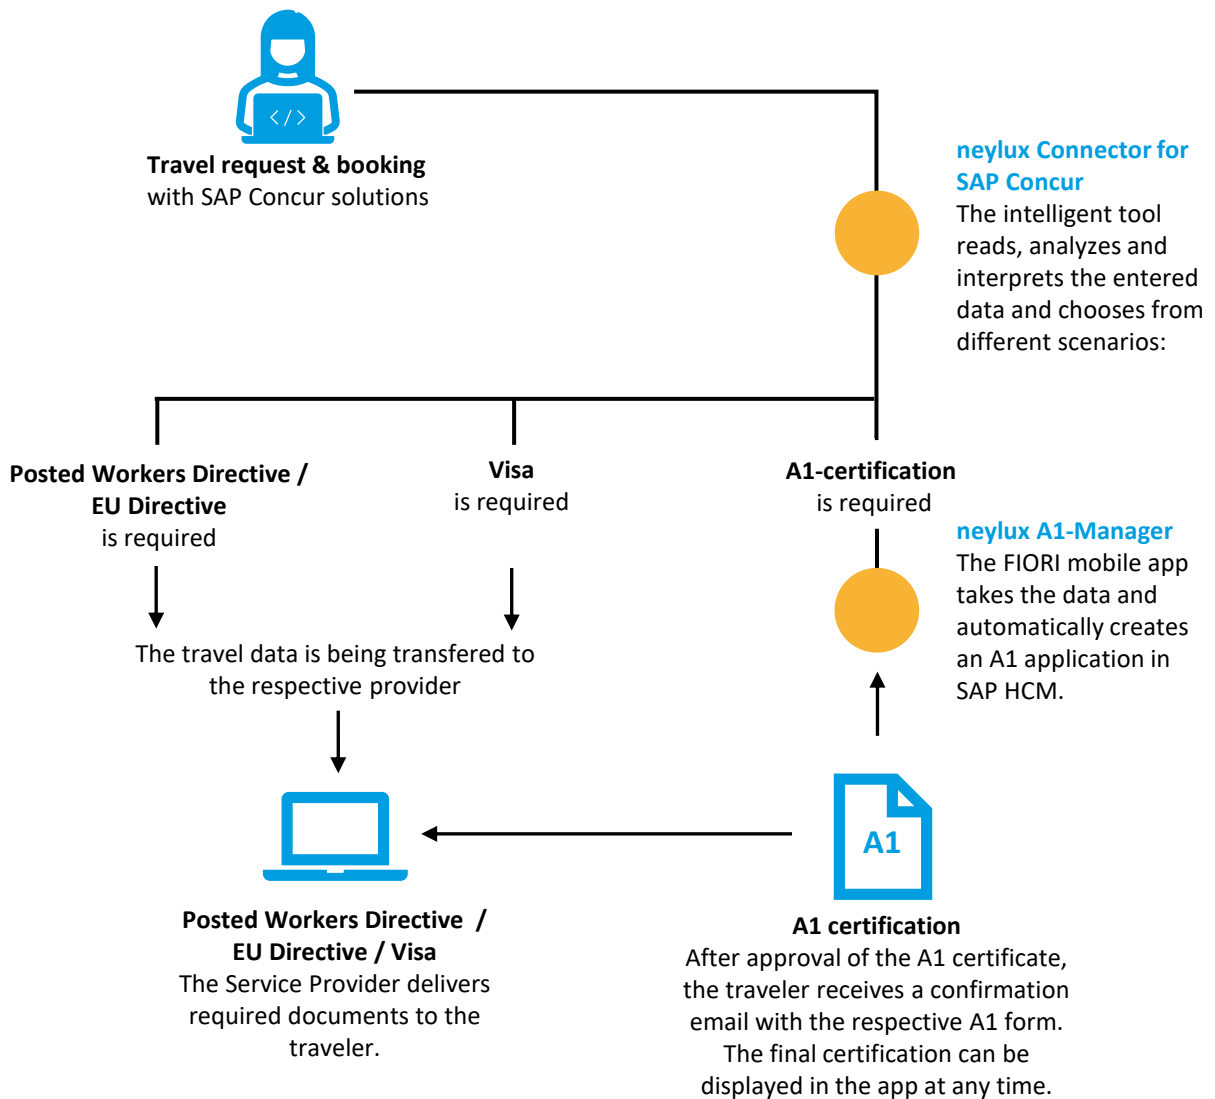

with the

neylux Compliance Manager

The neylux Compliance Manager provides an end-to-end integration for employees to submit the legally required documents and certifications for worldwide business travel. This solution is based on a self-service application, and it is integrated to external Certification and Visa providers.

neylux Compliance Manager consists of two neylux products:

- neylux Connector for SAP Concur
- neylux A1-Manager App (for trips within EU)

neylux GmbH

Specializing in Travel & Expense Management, neylux is a global partner for consulting, implementation and software solutions. The company has over 20 years of experience in the field and has established a diverse customer portfolio.
